

**Status as of 8/9/20: All services available!
(Dine-in, Carryout, Delivery, Bar, Gaming)**

Bar and dining room are open with limited seating capacity. We are doing everything we can to make your visit enjoyable & safe!

Masks must be worn to enter the store or move around the store (e.g. bathrooms). This rule is enforced! You do not need to wear a mask when you are eating or drinking.

**We hope these “rules” will ensure your enjoyment and safety during your visit.
Please be patient with us as we all adjust to the “new normal”.**

FOR YOUR SAFETY: No employees work sick. **All employees** wear masks. Employees wear gloves during food service. Employees will social distance from guests. Employees will clean and sanitize each table area after each use, as well as any other high-contact surfaces. Bathrooms will be sanitized frequently!

FOR OUR SAFETY: All customers must wear a face covering/mask to enter our restaurant. This is to protect our employees and other guests. No mask...no service...no pizza! We do have disposable masks at the door if you need one. (Please call ahead if you have a legitimate medical condition which does not allow you to wear a mask).

Guests will be offered hand sanitizer and given directions to the restrooms for proper hand-washing. (Hand sanitizer is great, but soap & water is better!)

Please do not visit us if you have cold or flu-like symptoms, especially a cough, sore throat, aches, or fever. Please stay home if you have been in contact with anyone in the last 14 days who is currently sick with COVID-19 or any other respiratory illness.

PICKUP and DELIVERY

Call us or go online to place an order. We are now offering indoor pickups, but will continue to offer curbside pickup **temporarily** for those who prefer to avoid contact with others. “No-contact delivery” is available.

LUNCH

We open daily at 11am. There will be NO LUNCH BUFFET for now. We offer a **limited lunch menu** so we can serve you as fast as possible. Lunch service in the dining room will be FIRST-COME-FIRST-SERVED. Once we hit our maximum occupancy, we will create a waiting list, or we hope you will stop in another day.

Please wear a mask when you enter the restaurant and until you are seated! Due to reduced seating, we politely ask you to limit your table time 60 minutes.

DINNER

Dinner **reservations** are encouraged but not required, for groups up to 6 people. Please call us if you have a larger group. All guests with a reservation should be ON TIME, or else we may give your table to someone else.

Please wear a mask when you enter the restaurant and until you are seated! Due to reduced seating, we ask you to limit your table time to 75 minutes.

Seating will depend on the number of current reservations, maximum dining room capacity, and social distancing requirements.

BAR AND GAMING

New signs are posted in the bar & gaming area regarding COVID precautions. Masks must be worn while gaming (per the State Gaming Board). Games are sanitized frequently. Hand sanitizer bottles are here for your use.
